

## **Golf Cart Policy**

At the Michaywe Owners Association Board meeting held on June 22, 2002, a new policy was adopted regarding private golf carts.

Unlicensed motorized vehicles, including private golf carts, are not allowed on any Michaywé Recreational or Common Grounds, which means:

### ***No Private Carts at:***

- ***Pines Golf Course and Cart Paths***
- ***Michaywe Clubhouse, including the Parking lot***
- ***Opal Lake Park***
- ***Any bike/cross country ski trails***

*This policy was subsequently amended at the July 13, 2002 Board meeting to include any and all unlicensed motorized vehicles.*

There are several reasons why the board adopted this policy:

1. Private carts driven on MOA property are not covered under MOA's insurance policy
2. Visibility – we have seen very young children driving carts and we are concerned that they may be injured.
3. Parking - & parking lot – there is no designated area for the carts to be parked
4. Legality – it is illegal to drive an unlicensed motorized vehicle on Otsego County roads or even the shoulder of the roads. All roads in Michaywe are maintained by the Otsego County Road Commission – we don't wish to encourage anyone to break the law and/or receive a ticket.
