### **Open Meetings Policy**

Board meetings and meetings of its committees shall be open to all members as observers. However, from time to time at their discretion, the Board or Committee may ask for limited participation of MOA members or unrelated individuals.

“Closed Sessions” shall be Board only discussions relating to the enforcement of the Deed Restrictions and Bylaws against individual members, personnel disciplinary matters, and legal and contractual matters, but only to the extent that disclosure would substantially damage or compromise relations with third parties. A closed session shall be declared by a motion supported by a majority of the Board. Following the completion of the closed session, a vote on the motion concerning any action taken during a course of the closed session shall be conducted in open session.
